I am having a great time here in England. I am staying with an English family. They are very help and hospitable. On weekdays, I can catch a bus to a language center. At weekend, I help to do housework and do gardening. You said that you find English difficult to learn and you were the worst at listening and speaking. I see you hardly improve these skills without speaking and listening to native voice everyday. Thus, you should practice listening to English tapes, CDs and speak English so often with your friends or your teacher. My English is quite well now, I wish you were here with me in England. I would introduce you to my new English friends. They are very nice. You asked me send you some English video films, did you? I promise I will send you some next month. Mỗi câu đúng 0.2 điểm
